From your Chapter R Director

Hello Chapter R Friends!
Happy Thanksgiving. We also need to remember all the members who have served for our great country no matter what branch of service. They are all veterans and need to be remembered this Veterans Day on November 11. Well riding season is coming to a end for the year of 2021 . This season may not have had the cancelations due to Covid like we did last year but we definitely had to deal with an unseasonably hot summer. That and the fact I was working way to much I barley hit 7k miles on bike this year.

As we head to calendar planning we need to think of rides and things to do next year. If you have any ideas of a ride you would like to lead and will not be at the chili dump/calendar planning, please send your ride ideas to me so I can put them on the calendar. I have sent out the results of the survey be sure to look over and have some ideas for the calendar planning.

Mark your calendars for the Christmas party which will be on December 5th at the Hy-Vee in Owatonna, MN. The menu has been decided. The entrees will be roast beef, 3 cheese crusted chicken with twice baked potatoes, glazed carrots, dinner roll, dessert with coffee, water and lemonade. The cost is \$15 person. Please RSVP and send checks to Al Horesji made out to Chapter R by 21 November.

Comments from the District Educator Joy Mattson

Scott and I, along with several others from Minnesota, were able to take part in the Mary Adams Memorial Ride Inn August 26 – 29 in Dubuque, IA. This was also known as the Multi State Ride In or MIWIND, hosted by the states of Minnesota, Illinois, Wisconsin, Iowa, North Dakota. At the Ride Inn in Worthington, MN (September 2020), this multi-state ride inn became a vision of Mary's and planning started. Then tragically, Mary passed from Covid. Thanks to the District Directors of all of the noted states, Mary's vision became a reality. And what a great time we had!!

The campground is an island in the river in Dubuque so we saw boat traffic and, across the river, trains. Scott and I had decided we were going to camp which honestly may not have been the best idea because of the heat and humidity. But, because we expected it, we came prepared with large mugs and plenty of water. Thankfully, we had also brought two fans with us and had electric at our campsite. And, a convenience store not too far away to keep our ice and snacks in check.

Friday started with a guided ride of the Wisconsin countryside and some really picturesque stops. The ride point was the rest stop just to the east over the bridge from Dubuque. 30 bikes and approximately 50 people showed up for the ride so we broke into two groups and headed out. About 3 miles into the ride, it started to rain but it was welcome. Did I mention it was hot and humid that weekend??

The first stop was only about 15 minutes down the road – the Grotto in Dickeysville, WI. What a beautiful piece of work! After that, we headed out to some really fun twisties and lunch in Mineral Springs at The Pointer Café. They handled all 50 of us with no problem and talk about good food! A simple tuna salad sandwich was just what the tummy ordered - light and tasty!! Then, many headed straight back to Dubuque while others continued riding to the end of the route.

Saturday included more riding. Two groups, each going in different directions. I hear everyone had a great ride even though it was.....hot and humid.

Dinner on Friday night was provided by the Wisconsin District; Dinner on Saturday night was provided by the Minnesota District. Simple food was just perfect, and it was really good!! Then, we finished off both evenings with a movie.

Scott and I are both looking forward to next year's ride inn. We hope more will join the fun and camaraderie next year!! And make sure you have enough room for all your gear,,,,,wet/dry/hot/cool you might need it all!
